

Post-Interview Checklist

WWOHP needs the following materials from interviewers in order to properly preserve and share the oral histories you collect. Return all materials to Linda Rosenlund, Assumption College, 500 Salisbury St., Worcester, MA 01609, lrosenlund@assumption.edu. Students completing interviews as part of a class assignment should submit all items on this checklist to their instructor who will forward to Linda Rosenlund. Please contact us at info@wwhp.org with any questions.

Interview Transcript

Transcripts must be typed according to the guidelines and format demonstrated in the **Transcription Tips** document. Interviewers are required to write an abstract (summary of the interview) and include it at the beginning of the transcript. Interviewers should submit both a hard copy (paper-clipped) and a digital copy of the transcript. The digital copy must be submitted on a burned CD at the address above or e-mailed to lrosenlund@assumption.edu.

Interview Tape

The original tape recording of the interview should be labeled clearly with the interviewee's name and the date of the interview. Interviews recorded digitally should be burned onto a CD.

Legal and Informational Documents

Original signed copies of the Biography Sheet, the Consent Form, and the Deed of Gift must be submitted with the interview materials. Please paper clip these to the hard copy of your transcript.

Photograph of interviewee

WWHP would like a photograph of the interviewee to use for public exhibits and on our Web site, if the interviewee is comfortable with this arrangement. **IMPORTANT:** this is not a requirement for participation in the project and interviewees are free to decide not to provide a photograph. Photographs may either be submitted in hard copy with the interview materials or e-mailed as a .jpg. We prefer digital copies, if possible, so that they can be easily posted on the Web site. Hard copies of photographs will not be returned unless a specific request is made to this effect.

Thank You Note

Please send a thank you note to the interviewee, expressing both your thanks and the appreciation of the Worcester Women's Oral History Project. Include a copy of the transcript and state, "I will assume your consent to use unless I hear from you within ten days."
